POTENTATE'S MESSAGE

Larry Griffin, Potentate

Greetings Nobles,

Well, October has passed and now we are into November, it is a time that we reflect and think about all that we are thankful for. As for me it is about having great friends and family, food on the table and a roof over my head, as Brothers and Nobles would say, it is good being on the green side of the grass.

October was a very busy month for us at El Bekal, a Stated meeting, three parades, a Hospital Fundraising, a Potentates visit to Job's Daughters, and a Halloween party, WOW!

As for the Hospital fundraising, a big thank you goes out to everyone that helped and donated their time and money to make this happen, we hit \$47,00.00 for the Tecscan Strideway for the Shriner's for Children Medical Center. They are very excited to be receiving it soon. I stopped by SCMC and talked to Chris and met some kids that will be benefiting from this new piece of equipment.

Bethel 337 of Job's Daughters Int. Orange, gave me a Potentates Visit, It was fantastic, it was set up to the likes of a installation, the girls went all out. We had Nobles from El Bekal, Ladies from LOSNA and OES in attendance, and a full house of Jobie girls. If you were not there, then you missed a wonderful night. Let me be very proud to be there Associate Bethel Guardian. I encourage every Noble to visit their Blue Lodge, Scottish Rite, York Rite, OES, DeMolay, Job's Daughters, and Rainbow sometime soon, I'm sure they would love to see your support. Remember, we are all family and we need to support one another and be Thankful for one another. We are all different, but we are all Brothers and Nobles. Have a Fantastic Thanksgiving with your family and loved ones.

Remember, "A stranger is just a friend you haven't met yet." ~Will Rogers

Thank you Nobles all

MESSAGE FROM THE ASSISTANT RABBAN

Assistant Rabban

The October 7th pirate themed SCMC Fundraiser was a huge success. Over 100 people were in attendance, with most of them in costume. Our six special pirate guests were a big hit and participated in many pictures in the photo opportunity area, which was terrific. They also picked the costume winners from the 5 kids in attendance. In addition, Yvette Hanson and Little John Ludwig won the adult costume contest. We had a fantastic meal, especially those baby back ribs, catered by Surf City Catering. Kim made 12 pirate hats that were auctioned off, and there was a last minute frenzy at that table just before the cutoff. There were many other items for auction and everything was sold. All together, we raised over \$14,000 that night for the Potentate's Project. Our total for all receipts is now over \$47,000. I have so many people to thank for this event. First is my lady Kim, who worked for many months making hats and decorations, getting donations from companies, making our costumes, and much more. She was incredible. My thanks to Dianne Edgar who made the rum cakes for dessert, helped with the planning of the event, and also helped the day of the event. Minnie and Joe Baxter were tremendous helpers both before the event with the table centerpieces and the day of. And they donated two baskets. Larry Griffin helped with the photo setup, and Duane & Shigemi spent the entire event taking pictures. My thanks to all three of you. Glenda Malan helped in the kitchen and with the auction, and I really appreciate her help. Thanks to Gene DeRaad for designing and printing the certificates for the donators. Many others helped with getting us donations for the auction, and their help was fantastic. Chris Caron from the Medical Center talked about the Tekscan Strideway and Aaron Hanson did a great job auctioning off three pictures made by our Shriner Kids. My thanks to everyone who attended and those that helped. You made it a great event. By the way, since Kim

and I were so busy the day of the event, we didn't get around to taking pictures. If anyone has pictures of the table setting, the room setup and/or the hat table that you could send us, it would be greatly appreciated.

My congratulations to Joe Daugherty from Upland-Mount Baldy Lodge and Sam Brandes from Yorba Linda Lodge for receiving the Hiram Award. And if you are not busy, Bruce Shaphran and I will be receiving the DeMolay 50 Year Pin on November 10 at the Installation of Officers for Walt Disney Chapter at 7:00 PM at the DeMolay Center in Anaheim. Hope to see you there.

MESSAGE FROM THE ORIENTAL GUIDE

Michael Sekera
Oriental Guide

Nobles All,

Before anything else, let me welcome the newest Nobles—those of you who came into El Bekal Shrine during the last and current years. You've not only picked a wonderful fraternity and the greatest philanthropy to join, but you've happened into the El Bekal Shrine that has the most fun. You will find that being a part of the El Bekal family is one of the most fulfilling and rewarding things you can do. You were recommended, after you were obligated, to join a Unit or Club.

Units - Legion of Honor, Clowns, Tin Lizzies, Purveyors, Directors Staff, Oasis Patrol, Royal Chariots, Mounted Patrol, Oriental Band,

Clubs – Ramona Shrine Club, South Coast Shrine Club, Valencia Shrine Club, Victoria Shrine Club, Date Empire Shrine Club, Elsinore/Sun City Shrine Club,

Long Beach Shrine Golf Club, Clay Busters, Nomads, Past Masters, Dance Band, Bruins Club, Brew Club, Steel Band, Air Patrol, Yacht Club, and take part in running El Bekal events. The Ladies also have their Groups – LOSA, Daughters of the Nile, Orange County Noblelettes, Honored Ladies, Inland Empire, Honored Ladies Long Beach.

I sincerely hope that you do—in this way you will get more out of your membership than you could have imagined. El Bekal has a lot to offer you and your Family, and I know that you all have much to offer in return. We cannot continue to grow and support our twenty-two hospitals without your help. A special thanks go out to the members of the “**Ritualistic Divan**” who ran an outstanding Ceremonial. This kind of support and teamwork is what makes El Bekal such a special group. Nobles—remember to include your ladies, children, family and friends in our events. They will thank you for it. As with any group, our families are what support us and allow us to give our time and efforts, and they must be fully included. As we move towards another year we look forward to continuing all of those events that have proven so successful this year. These events have supported the Hospitals financially as well as keep our El Bekal Shrine going strong. Without our events and everyone's attendance, El Bekal would not thrive as it has done. I would be remiss if I didn't also say Thank You for all of the support. I have thoroughly enjoyed this year and look forward to remaining involved with El Bekal for a long time to come.

Fraternally,

Michael Sekera – Oriental Guide

MESSAGE FROM THE HIGH & PROPHET

Greetings Nobles,

Yogi Berra presciently said that “the future ain’t what it used to be.” His famous quote rang even truer for us this year as we recently welcomed into our family a healthy baby girl which drastically changed our expectations of events for the remainder of the year. On the business front, my responsibilities drastically increased due to some attrition that occurred earlier in the year as well as an ever typical corporate re-org (one coupled with promotion). The time spent with the Nobility and El Bekal Shrine over the years has been incredibly enjoyable and due to our life events, my wife and I had to dial back a bit in 2018 out of necessity (and some sanity I might add).

With that being said, Illustrious Larry and the rest of the Divan, Nobles and Masons have been incredibly supportive of our volatility and I felt it time to offer the Nobles a brief explanation for my seemingly lack of direct involvement this second half of this year. While our outlook is bright our vision in the foreseeable future isn’t exactly what it used to be (e.g. having an infant as well as going back to working nights again). Simply put, there just isn’t as much time available for extra-curricular activities and we’ll have to prioritize more carefully. We sincerely hope we didn’t let anybody down but as we look forward into 2019, I want to ensure our Masonic family knows we are ever thankful and excited to assist in whatever activities or worthy cause we can reasonably carve out of our busy lives in whatever capacity required (who best can work and best agree).

Fraternally & Sincerely,

Brandon Cook, High Priest & Prophet

Member’s Bio running for office of Oriental Guide

Hello everyone!

I am officially putting my hat in the ring to serve as Oriental Guide for the ensuing year. Many of you know me already, but for those of you who don’t, allow me to please introduce myself. My name is Dennis Rootes, I’m a Past Master of Orange Grove Lodge #293 and its current Treasurer. I also run our annual Public Schools event and I act as our Masonic Outreach Coordinator. Additionally, I’m a member of the Grand Lodge Public Schools Committee, a member of the Tin Lizzies and the Claybusters, and of course, a member here at El Bekal. On a personal note, I’m a 51 year old grandfather of two adorable grandchildren, a loving boyfriend to my Lady Fiona, a proud dog owner, a slightly ambivalent cat owner, (can you own a cat?), a North Orange County homeowner, and a Senior Programmer. I also own and operate HiramAttire.com where I sell masonic t-shirts. My hobbies are gardening, cooking, reading or watching science fiction, and the various shooting sports. I like to drink IPA’s or Jack and coke, and when I’m not at lodge or some other Masonic event, you’ll probably find me walking the dog around the neighborhood.

Thank you for your consideration,
Dennis Rootes, PM

MESSAGE FROM THE 1ST CEREMONIAL

Greetings Nobles,

My name is Albert Turek and I've been serving as First Ceremonial Master this year. Now I'm running for the Office of High Priest & Prophet. Several of you have probably met me, either at the Superbowl Sunday event, the

Golf Tournament or one of the Monday Night Football sessions. Since I was kind of busy at those events, let me tell you a little about myself.

I was Raised a Master Mason in Pacific Rim Lodge #567 in 1993 and was installed in a Steward's chair right away. I continued through the line and was Master in 1998, and again in 2002. They honored me with the Hiram Award in 2004. I served as Master of International City Lodge #389 in 2009. During that time I joined Southern California Research Lodge and served one term as Master.

Here's some of my other Masonic activities:

I've been a member of Long Beach Scottish Rite since 1996 and assisted in the production of a few of the degrees, notably the 29th. I was awarded the KCCH in 2009.

I joined the Long Beach Pyramid #43 of the Ancient Egyptian Order of Sciots;

The Southern California Past Masters Association;

Long Beach Royal Arch Chapter #84, High Priest in 2012 and 2018;

Long Beach Council #27, Cryptic Masons;
Allied Masonic Degrees, Seaport St. John Council #93;

Knight Masons, Brian Boru Council #38;
Order of the Amaranth, Golden Crown Court #2;
Served on the Long Beach Demolay Advisory Committee

I attended Cal State University, Long Beach and earned a Bachelor's Degree. I was on the Target Archery Team when we won the bronze medal at the 1977 National Championships. I was also an Official Archery Scorekeeper for the 1983 World Championships and the 1984 Olympics held at El Dorado Park in Long Beach. I recently retired from work as a computer support

specialist and network troubleshooter for the Long Beach school district, repairing computers, training users, and fixing network problems

I met my wife, the lovely Rhea Yellin, in the 6th grade. We were friends all through school, both belonging to the Science Club in High School, but we didn't date until college. Her father and late grandfather are Masons and were an influence in my life. My own father also became a Mason. These three are the most important influences in my life.

Rhea's Grandparents were also members of Eastern Star, but Rhea didn't join the Order until one of her close friends decided to join. A couple years later, she decided to go through the line in her Chapter and asked me to join OES so I could accompany her to the East. She was thrilled to be able to preside using her Grandmother's gavel from 1970. So far, she's been Worthy Matron three times and I've been Worthy Patron five times.

I've saved the best for last. Throughout my Masonic career, I kept saying that I would support Shriner's Hospitals, but I didn't want to join the Shrine, being busy enough already. Then my youngest granddaughter was born in 2013 with a serious jaw and palate problem: Pierre Robin Syndrome. Just one phone call to the Shrine and a few hours later we learned that a spot was reserved for her at the hospital. I turned in my petition right away. Her jaw is now normal and her palate has been repaired. Thank You Shriner's Hospital.

I joined Al Malaikah Shrine in August, 2013, affiliated with El Bekal Shrine in 2016, and fully transferred in 2017.

Fraternally & Sincerely,
Albert Turek, 1st Ceremonial Master

25 Years and counting

At the 3rd Quarterly Stated Meeting for 2018 I along with others received a 25-year recognition Certificate and Pin. This came as a surprise because I thought that it would be next year for this to happen. Looking back at that weekend in Las Vegas at the Palace Station under direction of the late Illustrious Floyd Price, Potentate of El Bekal Shrine, about 700 candidates and I believe it was a part of the WSA for that year.

Being escorted through the Casino by a large rope I saw my wife at a Slot Machine and told her to go get the Camera, she ask why!!! We never got those would be pictures. The day ended with a wonderful banquet and a few pranks at the head table, little did I know what I was getting into. The following morning Gloria and I went to breakfast and were seated near four people who were loud and obnoxious, we found out that they were El Bekal members who introduced us to other members that were also having breakfast, and that's how it started.

About 2 months later I received a letter of invitation from several Units. From that I Joined the Ali Baba Sheik's and have been a member ever since. A serious but fun bunch, yes, we drink a few at least back then we did.

My membership with El Bekal has not been without some hard work. A year later I started doing photography for Ill. Leo Sutliff Potentate in 1995 and remained that way until just a few years ago when I noticed that I cannot hold a Camera steady any more. I still do a little using the Rapid Fire (takes about 5-6 pictures at a time). Even at that most of my pictures come out blurry.

There was a 6-year period of time where the late Noble Owen Witthauer and I were Purveyor General or assistant to each other, that was the busiest job El Bekal has to offer. If it were not having the support from Gloria I would not have been able to do it. Then in 2001 became the Editor of the El Bekalan, this went with the excellent training from Ill. Dave Suehs for a couple of years, this went on for 15 years.

And just when I was getting comfortable with all this I was asked to appear at El Bekal for one of those secret meetings. This was when I was asked to enter the Elected line of El Bekal. Breathing deep I said that I would have to consult with my wife, Gloria. This took a few days and surprisingly without any dish throwing, she agreed to stand beside me through this journey. There were some tough days, but with her kind words she encouraged me to keep going. My most educational experience was when I was Potentate in 2016 and was able to sit in the meetings for the Hospital Board of Governors. I learned more about the Shriners Hospital System than I had ever learned in all my years as a Shriner.

Today, as a Past Potentate with my First Lady there's nothing to do fraternally. I do give tours on occasion at the new Shriners for Children Medical Center at Pasadena, California under the direction of Noble Aaron Hanson.

This has been an interesting and busy ride.

In the Faith, Don Leger, P.P.

If you are located in the South Orange County area and looking for a connection to the Shrine, may we suggest you consider South Coast Shrine Club, “The Host of the Coast”. South Coast was chartered in 1954 and is under the jurisdiction of *El Bekal* Shrine Center. We are a group of Shrine Masons, Ladies, Honored Ladies and friends from a number of jurisdictions around the world who enjoy each other’s company, good food, fellowship and our dedication to Shriners International & Shriners Hospitals for Children. We also have an active group of ladies who are an important part of our Club. We have several social events outside our dinner meetings such as theater parties, trips and our Italian Night & Potentate’s Visitation party.

We meet on the 3rd Wednesday night of each month at Polly’s Pies, Moulton Parkway & Santa Maria, in Laguna Hills. Social time is at 6:00 PM with a no-host social hour before that we refer to as, “lies and old war stories time” followed by dinner. We order from the standard menu and pay our own checks. Reservations are suggested to assure correct seating set up. The location is convenient, the food and service good and the fellowship warm and friendly.

We distribute our newsletter (Bulletin) monthly and offer you the opportunity to visit and/or join our group. There will be no pressure or solicitation. While we welcome you to our meetings, the decision to affiliate with South Coast is entirely a matter of your personal choice. It is the Brotherhood of other Shriners and Ladies that we offer, with no strings attached.

If you think you would like to join us, we’d be glad to see you. Strideway™ is the first truly modular pressure measurement platform for human gait analysis! The system captures objective force and plantar pressure data, PLUS temporal (time) and spatial (distance) parameters. Strideway is ...

1. Portable platform with easy transport
2. Simplified data analysis for gait
3. Side-by-side comparison for pre- and post-recordings
4. Quick & simple set-up

Finding Alternatives for Pain Management

Aware of the dangers of opioids, Shriners Hospitals for Children is committed to performing research and providing education on this topic, especially as it pertains to children.

The concern over opioid use among children and availability of opioids in the community extends throughout our health care system. Here are some examples of our work to address this complex and serious issue.

PRE- AND POSTSURGICAL PAIN MANAGEMENT

The Shriners for Children Medical Center in Pasadena's anesthesia and surgery departments found a new way to manage patient pain and limit opioid use, especially for postsurgical pain. Over the past two years, the Medical Center's anesthesia department, led by Rick Bushnell, M.D., developed and put into practice a pre-emptive pain management protocol.

In the past, pain management did not start until after surgery and relied mainly on opioids to relieve pain for many days. The new protocol ensures the Center's patients have limited exposure to or a complete avoidance of opioids by using other medications. The new protocol requires:

- The nonopioid medications acetaminophen, celecoxib and gabapentin to be started 48 hours before surgery
- Continued use of nonopioid medications the morning of surgery and for only five days afterward

- The use of opioids only as secondary medications in support of the other three pain relievers

Physicians from Shriners for Children Medical Center in Pasadena have shared the new protocol in presentations at many medical and surgical societies in several cities, including San Francisco, Chicago, Dallas and Stockholm.

In addition, the Medical Center has submitted an application to become a drug take-back location in Pasadena.

PROVIDING EDUCATION

Along with implementing new pain management protocols, our medical staff is helping to raise awareness of the opioid issue. Ellen Raney, M.D., orthopaedic surgeon at Shriners Hospitals for Children — Portland, and colleagues, including Harold van Bosse, M.D., orthopaedic surgeon at our Philadelphia Shriners Hospital, provided an article to the *Journal of Pediatric Orthopaedics* on the potential of children and teens becoming part of the opioid problem because of medications prescribed for postsurgical pain.

The authors present findings from a Pediatric Orthopaedic Society of North America (POSNA) survey of opioid

prescribing by pediatric orthopaedic surgeons, along with recommended strategies to reduce opioid prescribing and potential misuse among children and adolescents.

The publication is the official journal of POSNA. The organization's annual meeting in May included a symposium, featuring staff from Shriners Hospitals for Children, on the opioid epidemic's effect on children, especially those undergoing orthopaedic surgeries and treatment.

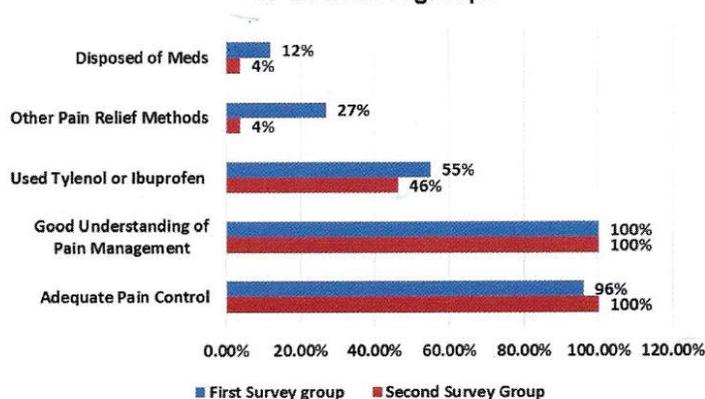

At Shriners Hospitals for Children — Houston, Melanie Lux, M.D., chief of anesthesia, questioned patients about pain levels and use of prescribed opioids, and then used the information to create a pain management plan for use after patients leave the hospital and to provide information for proper disposal of unused opioids. Michelle Dui, M.D., anesthesiologist at our Portland Shriners Hospital, is also working on this aspect of the problem.

In addition, Jeannie Keith, R.N., M.S.N., director of patient care services at the Houston Shriners Hospital, presented on the opioid situation during the 2017 National Association of School Nurses Conference. Her presentation, *Reducing Children's Risk for Opioid Exposure*, concluded that controlling the amount of pain medication surgeons prescribe prior to surgery can be done successfully without reducing the patient's comfort, and that it is also important to provide information and education on appropriate pain medication dosages for pediatric patients.

AVOIDING EXCESS

At Shriners Hospitals for Children — Tampa, physicians are monitoring medication use particularly after spinal surgeries. "We are sending all patients who have had spinal surgery home with a data log to record how much pain medication and what their pain scores are. Our goal with the project is to better know how much medication kids are requiring so that we can more accurately prescribe and limit the amount of excess

Pre and Post Pain Management Report by Family:

medication prescribed,” said Cheryl Lawing, M.D., orthopaedic spine surgeon at the hospital. “We are also trying to determine what is being done with the extra pain medications. We are using the patient-reported outcome data log that was originally designed by our Pasadena location, which has been modified to suit our needs.”

CREATING A SYSTEMWIDE PAIN MANAGEMENT PROGRAM

The Philadelphia Shriners Hospital is addressing the opioid issue through its pain management committee. Goals of the committee are to formalize a pain management program, audit the effectiveness of the program, provide quarterly updates to pharmacy and therapeutics and medical executive committees and provide an annual summary.

A PERSONALIZED PLAN FOR PAIN MANAGEMENT

The evidence regarding the efficacy of analgesics available to guide pain treatment in pediatric patients is limited. There is a need to reinforce the importance of developing more precise guidelines for the prevention and treatment of pain in the pediatric population.

Shriners Hospitals for Children — Canada is researching pain assessment and control.

Catherine E. Ferland, Ph.D., clinical researcher, is leading the Strategies in Pain Intervention and Evaluation (SPINE) research group at Shriners Hospitals for Children — Canada, which includes clinicians, researchers and graduate students from McGill University. The overall goal of Dr. Ferland’s pain program is to create a personalized pain management approach for children with pain to minimize the length of painkiller treatment in order to avoid development of a cascade of negative consequences, including the

use of additional prescription drugs and long-term use of painkillers in children and adolescents. She is currently working on the development of a Personalized Pain Treatment Index (PPTI) based on clinical predictors of poor pain control that will inform treatment decision-making. Dr. Ferland and the SPINE research group lead a collaborative effort to develop a comprehensive clinical pain assessment and individualized treatment for patients undergoing surgery or having long-term pain associated with musculoskeletal conditions. Dr. Ferland’s work has the benefit of being easily translated into clinical practice. The idea is to improve clinical pain assessment by developing a clinical tool that would target the best pharmacological treatment specific for a patient (personalized pain treatment) on the first attempt instead of by trial and error.

In 2017, Shriners Hospitals for Children — Erie conducted a proactive risk assessment and developed a plan to discuss pain management at quarterly patient safety meetings, monthly staff meetings and medical executive meetings. In 2018, the staff created a survey for postoperative pain management, which each family completes at their follow-up clinic appointment, and a policy that

prohibits range dosing (for example, the idea of dosing four to six tablets every four to six hours) and prohibits prescriptions for longer than seven days. Staff also provide an education sheet to each patient who is prescribed opioids.

Shriners Hospitals for Children — Springfield held a public forum in conjunction with the Maternal Child Health Commission titled *The Opioid Crisis: A Maternal/Child Health Perspective*. The objective was to raise awareness, decrease stigma and learn best practices as they pertain to the pregnant woman who is fighting a battle with opioid addiction and her unborn child.

There were 148 attendees and an extensive waiting list. A follow-up forum will be held in 2019.

Some states have also implemented laws to combat the opioid problem, and, of course, our facilities adhere to these rules, including the Prescription Drug Monitoring Program in Pennsylvania and the Hawaii Opioid Initiatives.

Shriners Hospitals for Children is committed to doing all we can to prevent unnecessary use of opioids in our patient population and to raising awareness and seeking solutions to this complicated, serious problem, especially as it affects children.

Tin Lizzies

Ted Segerstrom August, 2018

The Tin Lizzies had a great event in August, combining both our Ladies Night Out celebration with our POV this year at the Los Alamitos Race Track. We had 32 people attend our event, and they were treated to a fabulous dinner and horse racing that night. Capt. Gene DeRaad present our Ill. Potentate Larry Griffin with a check from the Tin Lizzies, for \$2000.00 for the Children's Medical Center, along with a mounted Model T plaquette, and custom puzzle box with a secret hideaway space in it, for his desk. (oops, the secret is out).

Ill Pote Griffin presented Capt. DeRaad with a beautiful patriotic pen set. First Lizzie Lady Letty DeRaad, presented First Lady Cheryl Griffin, with a beautiful Tin Lizzie charm for her bracelet collection. In turn, First Lady Griffin present Lady DeRaad with a beautiful purse. There was enough merriment going on that night and no one noticed Rick Hardage running back & forth to the betting windows all night. He finally did win the last race and tried to buy everyone dinner that night, but it was time to go home, so he gave everyone a rain check.

Potentates have all the fun!
