POTENTATE'S MESSAGE

Mike Selix, Potentate

Greetings Nobles, Ladies and Friends,
Well, another year of Imperial Sessions is in the books for 2019! Lady Michelle and I were joined by Chief Rabban Merritt Read, and his Lady Kim, Asst. Rabban Michael Sekera, and his Lady Abeer, and Ill. Sir John Rider and his Lady Barbara.

I would like to congratulate Illustrious Sir John Rider, and Lady Barbara on receiving his Emeritus status at the Imperial Secession this year. Illustrious Sir John and Lady Barbara have attended 10 consecutive Imperial secession to achieve this honor. Thank you for your dedication to El Bekal, our Medical Center, and Children. Next time you see Illustrious Sir, John Rider, and Lady Barbara, take a moment to congratulate them on this achievement.

It was exciting to be present at the pageant for the incoming Imperial Potentate, Ill. Sir Jeffrey L. Sowder, and the Announcement for First Lady Cheryl's Project: Heroes Among Us 2019-2020. To learn more and support her program please go to www.lovetotherescue.org/first-lady-program.

Our Shriners Hospitals for Children 2019-2020 National Patient Ambassadors are Madelyn and Christian. Both have amazing stories about themselves. You can follow up by visiting Shriners main website.

At the end of Sessions, we enjoyed Diamond Rio in Concert. All in all, it was an exciting time for us.

Michelle made reservations for us to take the Divan to dinner at a place called The Standard at The Smith House. The food & hospitality were amazing! After our dinner, arrangements were made to get a private tour of the house and the history of it. We really enjoyed spending our evening with all who joined us.

Nashville is definitely a place to see and do so many different things. Michelle and I went to Grand Ole Opry, The Johnny Cash Museum, Graceland in Memphis & we visited The Battle of Franklin. We also joined our counterparts for a wonderful Dinner at Puckett's BBQ.

Thank you to the Nobility for sending us to Imperial secessions this year, and allowing us the opportunity to represent El Bekal Shrine, we are humbled and honored. We had a blast, and along the way, made many new friend's, and created so many new memories!

The Angels Tailgate Party and Ball game was a lot of fun. There was great food and socializing before the game. El Bekal Shrine was announced on the Billboard at the game along with Bob Hathaway's 90th Birthday. Thank you to everyone who helped to make this another successful event, and to everyone who took the time to bring a side dish or dessert, all of the food was great. "If we all do a little we can accomplish a lot"

Family Day at The Movies was a double feature, we Played Disney's "COCO" & "MOANA" There were quite a few people in attendance and the concession stand had some fun food for the youngsters; there were sliders, hotdogs, popcorn, candy, and drinks. It was fun!

Don't forget to purchase your tickets for the Ladies Luncheon on August 25th @ El Bekal. You can contact a Divan Lady or Pat Allen for tickets (714) 397-0446

MESSAGE FROM THE CHIEF RABBAN

This is the Chief Rabban's report of the proceedings of the Iowa Corporation from the 145th Annual Session of Shriners International. I first want to thank the nobility for sending Kim and I to Imperial Sessions in Nashville as your representatives. We had a marvelous time seeing our counterparts and many other Shriner friends, meeting new Shriners, voting on important legislation and candidates, and enjoying the great city of Nashville. The El Bekal ladies especially enjoyed the Ladies Luncheon where five Shriner patients sang and played musical instruments to entertain them. There were 711 Iowa Corporation delegates registered for the session. There were 20 resolutions on the call for the Iowa Corporation. Two of the resolutions were withdrawn. Five resolutions involved temples either withdrawing or joining a Shrine Association and all passed. One was for a temple to change its location and it passed. Another one was to revoke the charter of the Florida Shrine Association and it passed. Two resolutions passed concerning sending minutes and voting by electronic means. One gave Aahmes Shriners of Livermore, CA. exclusive jurisdiction in the country of Australia. Another now allows new temples in Mexico. Anezeh Temple in Mexico City had previously had the exclusive temple in Mexico. The passage of this resolution will mean El Zaribah and Al Bahr will likely lose members. Both of those temples spoke in favor of the resolution. Another that passed concerned Shrine Associations for Shrine Clubs. One that failed would have required nominating officers at the stated meeting before the election meeting. The resolution that allows a non-Shriner to drive a vehicle that requires a special license in a parade when there is no Shriner available passed. Resolutions that allow the Imperial Potentate to grant a special dispensation to allow a temple to take actions at a meeting held elsewhere than the location of the temple and one that allows the temple budget to be amended at any meeting of the temple were passed. The resolution that would have allowed special assessments to temples was soundly defeated. The last one concerned Shriners International and the Grand Lodge of Arkansas. In 2012 the Grand Lodge of Arkansas removed recognition of Shriners. Many Shriners were expelled, gave up their Shrine membership, or demitted to a lodge in another state that allowed them to join. In 2013 Shriners International voted to allow non-Masons in Arkansas to be Shriners to assist those that had been expelled to remain members and to allow new members to join their temples. The current Grand Master of Arkansas and Imperial Potentate Jim Cain have been working to restore fraternal relationships between the two organizations. The Grand Lodge of Arkansas and Shriners International have agreed to put together a working group to determine a plan for the restitution of relations and the restitution of the masonic prerequisite. The two Potentates in Arkansas, one a Mason and the other the first non-Mason Potentate, spoke in favor of the resolution. The resolution for a process to start restoring the fraternal relationship between the two organizations was overwhelming passed.

Jeffrey L. Sowder, Past Potentate of Midian Shriners in Wichita, Kansas was elected Imperial Potentate. Imperial Sir Jeff is the first Past Grand Master to be elected imperial Potentate, having served the Grand Lodge of Kansas in 1997. First Lady Cheryl's project is "Heroes Among Us". This is a program to support and enhance the efforts of our patient ambassadors to share their stories and raise the profile of our organization. In the election for Imperial Outer Guard, David Worel of Al Aska Shriners in Alaska was selected. He is a Past Grand Master of the Grand Lodge of Alaska. The 2020 Imperial Session will be held in Kansas City, MO.

Respectfully submitted,

Merritt Read

MESSAGE FROM THE ASSISTANT RABBAN

Michael Sekera,
Assistant Rabbban

Dear Noble Sirs,

I want to thank the nobility for selecting me as a voting representative, speaking of the Imperial Session it was well represented for El Bekal to the 2019 Imperial Sessions in Nashville, Tennessee. Lady Abeer and I had a great time visiting the different restaurants and libation stations. Great time with our fellow Divan members from across the Globe. There is a Facebook group called "Shiners around the World" check it out. The Parade on July 4th was great over 3 hours of Shriners being Shriners so much fun an interaction with all. The closing ceremonial was really a tear jerker. The two new ambassador children are adorable and can't wait for you all to see them. There wasn't a dry eye in the house when they left the stage. The Public Opening and Closing are attended by the ladies and it's a time that they benefit from the events and information for the following year. I gave you an abbreviated version of my

Hospital report from our stated meeting. There was much discussion about the current model for our hospital system. As 85% of our children come to the hospitals for outpatient care, it is becoming more difficult to keep the hospital model, rather than medical centers and clinics. Only 17% of our hospital beds are being used.

Membership: "JUST ONE" is the motto of our new Imperial Potentate Jeff Sowder and going by that remember Nobles on August 24th we have a Ceremonial at the Shriners Medical Center. Lets each of us bring in "JUST ONE".

Last week at Imperial Session, they unveiled the new Imperial Potentate Jeff Sowder's "Just One" campaign to increase Shriner membership. A simple but powerful idea drives this initiative: If every current Shriner commits to recruiting or restoring "just one" noble to his temple, the ranks of our brotherhood will swell tremendously.

In order to build enthusiasm for the Just One initiative and keep it going, we are instituting a multi-level program for recognizing and rewarding top-line signers in the creation/restoration process for their successful efforts bringing in new members or restoring suspended members.

These are:

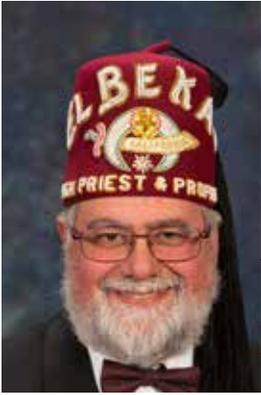

- Level 1 – Upon creation or restoration of one member, the top-line signer will receive a postcard and Just One pin from Imperial Potentate Jeff Sowder.
- Level 2 – Upon bringing in two members, the top-line signer will be listed in the Shriner Magazine.
- Level 3 – With three new creations or restorations, the top-line signer will receive a certificate of appreciation and a letter of commendation from Imperial Sir Sowder.
- Level 4 – After five creations or restorations, the top-line signer will receive a personal phone call from the Imperial Potentate.
- Level 5 – Top-line signers responsible for 10 additional Shriner brothers will receive a special invitation to attend a Just One VIP reception with the Imperial Divan at the 2020 Imperial Session.

Sincerely & Fraternaly yours,

Michael J. Sekera, Assistant Rabbban

MESSAGE FROM THE HP&P

HP&P August Message

Greetings Nobles!

I'd like to address something that gets on my nerves. It really upsets me to see our Craft slandered and lies told about the Shrine. Okay, so you probably want to know what set me off, so I'll tell you.

A few days ago at a Masonic function, I was discussing the virtues of Shrinedom to a few Masons who could become prospects and maybe members of El Bekal. One of them piped up with "I'll never wear a red Fez!"

When I asked him why, he recited the horrid rumor that the Fez was red because it had been dipped in the blood of Templar Knights. I tried to correct him, but he didn't want to hear any facts, he just refused to listen. So I'm going to share some facts here and hope the Nobles will find them useful.

* Some Facts About Fezzes*

The Nowadays is associated with Turkey, but didn't actually originate in that country. The Fez began as a head covering in ancient Greece and was adopted by the Ottomans when they conquered that country. The Arabs called it a Tarboosh, but it got its new name from the city of Fez, Morocco that produced the dark red dye from berries.

The Fez was worn by both sexes, especially in Cyprus where its color could be black, white or red. In Arabic countries, the Fez was often wrapped with a turban to give extra sun protection. In colder areas the Fez could be trimmed with fur.

In the 1820s, the Turkish military adopted the red Fez as their official headgear, part of a modernization effort. It was quickly adopted by civilian officials, but without the turban part. Other armies in the middle east and levant soon copied them and nearly caused a shortage of Fezzes. However a chemist in the Austrian Empire (a part that is now the Czech Republic) invented a synthetic red dye and the majority of Fezzes were soon produced there.

The Fez was popular for many years, used as military headgear in many armies and as an exotic cap by civilians. But in 1925, Kemal Ataturk banned the Fez in Turkey as part of his reforms.

Some militaries have kept the Fez to this day, but it is usually reserved for dress or parade uniforms and more protective gear is used in the field.

The red Fez became the official hat of the Shrine in 1872 and many other fraternal organizations wear Fezzes in all sorts of colors and different styles.

I hope you enjoyed this brief history of the Fez. There are many more places to find information about the Fez, starting with Wikipedia. There's also an online Fez museum with many examples of fraternal Fezzes.

Thank you all,
-Al Turek-
High Priest & Prophet.

Nobles & Ladies,

Hello everyone!! I know this is not the protocol. Most of you are not use to Reading an article written by the First Lady.

I wanted to take a moment to let you all know how much I have been enjoying each and every moment of our year thus far. From the In-n-Out to the POV's , Movie Day's, Watch Party's at Calivino's, Parades, Fundraisers, The "BALL", Ceremonial Degree and how can I forget The trip to see "Patsy Cline" at The Candlelight Pavilion Theatre. What an amazing time it was! I will hold these special memories in my heart forever.

As most of you know, Mike and a few Nobles joined Al Malaikah on a trip to Indianapolis 500 last month. So I seen seen the opportunity to go visit our Boy's in Spokane, WA . While I was there, I called Aaron Hanson to see if he could hook me up with his Counterpart (Angelique Heinzen) out there for The Shriners Hospital in Spokane, he didn't hesitate! Angelique, gave me and my mother in law a detailed tour. At the end of the tour we exchanged gifts and contact information. When I left there, I felt so accomplished! It was an amazing experience and I highly recommend to visit any of The Shriners Hospital's/ Medical Centers if given the chance to do so. I Think Angelique and I will be keeping in touch. She is a great person with a big heart! Thank you Aaron Hanson for taking the time out of your busy schedule to set this introduction up for me.

Also, While I was out one day Enjoying some quality time with one of my boys, we drove by the Spokane Masonic Center. I was quite surprised in how small it is. The parking lot was just as small, reason for the pic's not being so great! Just a little History for you to enjoy-

As Mike and I are now on the downside of our year, There are yet so many exciting events to look forward to.... No rest for the weary! We are getting ready to leave for Imperial in Nashville, TN this year. Hee... Haw!! Can't wait to tell you all about it. Im sure there will be some pictures posted from that trip for sure!! When we get back, we have another full month of activities planned so we can all stay connected.

Tin Lizzies

Ted Segerstrom July 2019

It's the BIG ONE! Just like they told us, it was the big one we've been waiting for! And that was the Huntington Beach Fourth of July Parade! What a day it was! Everyone moving & shaking before we kicked off in the parade. Some of the Tin Lizzies were shaking pretty well before we figured out it wasn't another member jumping on our bumpers! Our lizzies were moving pretty good despite the fact we have no suspension on the cars!

The Tin Lizzies along with the Royal Chariots, Firetruck & Calliope all made the early morning trek to Huntington Beach in the wee hour of O dark thirty to get our lizzies decorated, gassed up and drive to our assembly point. Some members even arrived earlier, and had a delicious gut wrenching breakfast at the local Denny's Restaurant on Beach Blvd. Capt. Rick Schade rounded up 11 Tin Lizziers to participate this year, in our biggest, and our most favorite parade of the year. They were Capt. Rick Schade, John Edgmon, Dale Edwards, Coy Love, Al Jazwiecki, Bill Hardy, Doug Highland, John Lake & Snoopy, Gene DeRaad, Mike Williams, Ted Segerstrom.

Weather started out pretty cool and overcast, but right before the parade started, the clouds burned off and the sun came out. I guess Dallas Reins from Channel 7 News & weather was correct for a change. It was a great parade with the crowds cheering us on, and taking millions of cellphone pictures and videos!. All Tin Lizzie cars made it through with no accidents, breakdowns or running out of gas! What a great parade it was!

Capt. Rick Schade welcoming the start of the parade.

The Tin Lizzies all decorated and ready for the parade!

Every Donation Makes a Difference

Shriners Hospitals for Children depends on the generosity of donors to fund all its programs, from telehealth to research to high-tech equipment, including EOS imaging and motion analysis centers. Here are brief descriptions of these highly important efforts:

TELEHEALTH

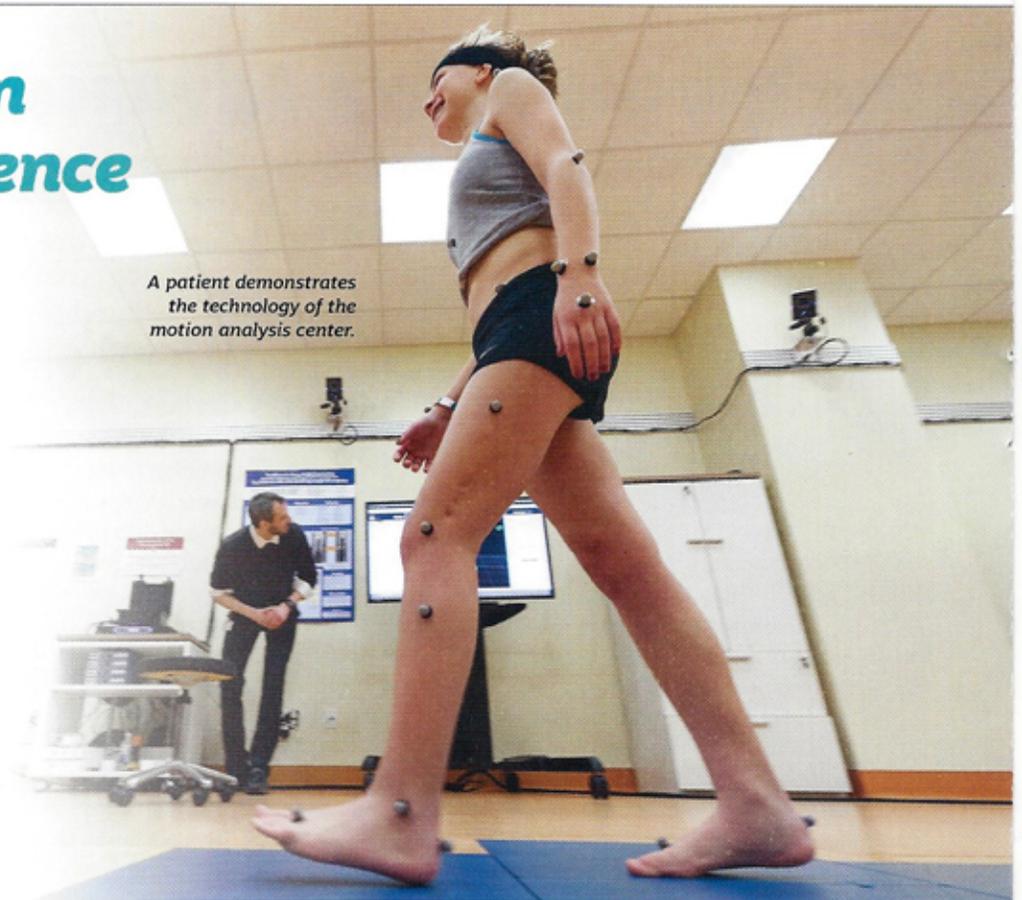

To help us provide care to our patients in an efficient, considerate manner, we continue to strengthen and expand our telehealth care program. This initiative allows patients to be seen at local affiliate locations, and uses real-time videoconferencing to connect the patient to Shriners Hospitals medical staff, reducing both the amount of time away from home and travel time. In 2017, more than 350 telehealth clinics were held, benefiting nearly 1,000 children. We expect to have all locations participating by 2019.

Our commitment to the development, refinement and implementation of a system-wide telehealth care network is just one more example of our determination to provide excellent, compassionate, innovative care to children in need of our services, wherever they may live.

RESEARCH

In 2017, Shriners Hospitals for Children provided funding for 141 research projects, two RFPs, 20 research fellowships and 15 Lemieux medical student internships. Our research projects generally involve discovering new knowledge that will increase understanding and improve treatments in our four service areas of orthopaedics, burn care, spinal cord injury, and cleft lip and palate. These efforts cover a wide range of themes, including the discovery of innovative methods that allow earlier diagnosis of sepsis, which is a major threat to patients with severe burn

A patient demonstrates the technology of the motion analysis center.

injuries, as well as the development and testing of new drugs to stimulate bone formation to improve care for those with bone diseases.

EOS IMAGING

The EOS Imaging System is a Nobel Prize-winning technology that will produce life-size images with up to 85 percent less radiation compared with conventional X-rays. EOS provides full-body images of patients in a natural standing or seated position in both 2-D and 3-D. These weight-bearing images reveal a patient's natural posture and allow physicians to analyze the interactions between bones, joints and ligaments from different angles.

Research has indicated that radiation from repeated X-rays can increase the risk factor for cancer later in life. This is a great concern to our medical team, as Shriners Hospitals for Children is committed to providing the best and the safest treatment we can to our patients. Radiation exposure is cumulative over one's life span, so EOS imaging is particularly helpful for use with children who need multiple images taken throughout their course of treatment.

MOTION ANALYSIS

In our 14 motion analysis centers, high-speed cameras, reflective markers, force platforms and muscle sensors are used to record, measure and evaluate how a child with a mobility impairment – such as those caused by neuromuscular conditions like cerebral palsy, congenital challenges including clubfoot and spine problems such as scoliosis – actually moves. The data collected helps provide an understanding of the interactions between the child's muscles, joints and bones, which helps the patient's medical team create an effective care plan. When we understand these different gait and movement patterns, we can help those with mobility impairments to move more efficiently, more effortlessly and more confidently.

At Shriners Hospitals for Children, every patient receives individual attention and a care plan tailored to their specific needs. We do our best to provide a complete range of care and services that will allow our patients to recover to the fullest extent possible, and go on to achieve their goals and dreams. Our generous donors make this possible.

If you are located in the South Orange County area and looking for a connection to the Shrine, may we suggest you consider South Coast Shrine Club, “The Host of the Coast”. South Coast was chartered in 1954 and is under the jurisdiction of **El Bekal** Shrine Center. We are a group of Shrine Masons, Ladies, Honored Ladies and friends from a number of jurisdictions around the world who enjoy each other’s company, good food, fellowship and our dedication to Shriners International & Shriners Hospitals for Children. We also have an active group of ladies who are an important part of our Club. We have several social events outside our dinner meetings such as theater parties, trips and our Italian Night & Potentate’s Visitation party.

We meet on the 3rd Wednesday night of each month at Polly’s Pies, Moulton Parkway & Santa Maria, in Laguna Hills. Social time is at 6:00 PM with a no-host social hour before that we refer to as, “lies and old war stories time” followed by dinner. We order from the standard menu and pay our own checks. Reservations are suggested to assure correct seating set up. The location is convenient, the food and service good and the fellowship warm and friendly.

We distribute our newsletter (Bulletin) monthly and offer you the opportunity to visit and/or join our group. There will be no pressure or solicitation. While we welcome you to our meetings, the decision to affiliate with South Coast is entirely a matter of your personal choice. It is the Brotherhood of other Shriners and Ladies that we offer, with no strings attached.

If you think you would like to join us, we’d be glad to see you. If you have any questions, or need further details or directions, please feel free to contact me directly at 949/584-9716 or at: southcoastshrine@sbcglobal.net . We would be proud to have you associate with us. We welcome the opportunity to extend to you the hand of Shrine Fellowship. You are always **WELCOME** at South Coast.

Fraternally,
Chuck Wilson, Bulletin Editor

Hi Noble, looking for a place for lunch ? May we suggest Valencia Shrine Club ?

If you’re looking for a place to connect with other Nobles of El Bekal and Shriners International, look no further than Valencia Shrine Club. We meet every Thursday for lunch and social communication, otherwise referred to in some places as ‘Lies, exaggerations & old war stories’.

We gather at the Garden Grove Elks Club on Trask & Newhope in Garden Grove every Thursday for an 11:30 Social time followed by lunch, ordered from the menu, and fellowship with Brother Nobles and guests.

On month’s with 5 Thursdays, or about quarterly, we conduct our special Lady’s Day program inviting our Ladies, Honored Ladies, significant others and guests. We offer a special meal and program with live entertainment designed for the enjoyment of all. However, on Lady’s Day reservations are a MUST.

What is an Ambassador?

The Ambassador is a unique role in El Bekal Shrine, relevant to the unique nature of the Shrine itself. They are called Ambassadors. As the name has changed so the role has evolved over the years and they are now a very important part of El Bekal Shrine structure.

Who can be an Ambassadors?

Any member of El Bekal Shrine lodge who feels he can successfully carry out the duties described below can be appointed by the Chairmen. Anyone who wishes to volunteer for the ensuing year should contact the Potentate. If appointed it is expected that the Ambassadors will play an active part in the role when and if occasion demands

What are the duties of an Ambassador?

Whilst the list of duties may seem onerous there is often little to do but it is expected that these duties will be carried out diligently and promptly when required.

The principal duty is to assist in the administration of El Bekal Shrine which will include: -

- To assist the Secretary to locate members with whom we have lost contact.
- To assist the Treasurer to collect outstanding dues and subscriptions when serious arrears arise.
- To assist the Almoner in cases of sickness and distress and to act as the eyes and ears of the almoner in his area of responsibility.
- To assist the Assistant Secretary in the administration of applications to join El Bekal Shrine.

- The only special skill needed is to enjoy each other, people and we'll teach you the rest.

Hi Friends,

Just a brief update from Shriners For Children Medical Center – Pasadena. We are very pleased to announce that we have entered an agreement with the Children's Hospital of Los Angeles (CHLA). The current agreement gives our Shriners physicians the capability to perform complex surgical cases at CHLA and admit inpatients there. There is wonderful for our patients and families for it gives them access to a premier Children's Hospital environment right here in LA County. Just recently CHLA was rated as a top 5 Children's Hospital in the United States by US News and World reports and we are delighted to partner with them. Not only should this inpatient partnership with CHLA give our patients access to the highest quality pediatric hospital in the area and a wonderful child friendly environment, we believe this will also save Shriners a good bit of expenses. Huntington Hospital, our inpatient partner up until now, did not have contracts with all of the payors that we do. This meant that in order to get inpatient services provided at Huntington Hospital, Shriners had to pay them on a per case basis. In contrast, CHLA has contracts with all of the payors we need them to. This will mean that our patients will get their inpatients services funded by their own insurance and not by Shriners for the most part. This should result in substantial savings and an opportunity to further reduce our draw on the endowment. All of this is just the first step in what will hopefully be an even larger partnership between Shriners For Children Medical Center For Children Pasadena and CHLA. As we speak we are working on a Memorandum of Understanding between the two institutions that would create the springboard for exploring other exciting ways that we could partner together to provide incredible care to children. This partnership has tremendous potential in brightening the lives of many, many children!! We will you apprised of any progress we make as we make it!!

Thank you for all you do in support of the Medical Center and for making the lives of the patients and families that grace us with their presence, the very best that they can be!

Sincerely,
Chris
